10. Delegate authority to the Director of DPH, or his designee, to authorize the increase or decrease of the contract obligations for all DMC agreements, following notification to your Board, County Counsel, and the Chief Executive Office.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

For several years, the Board has approved alcohol and drug services agreements to provide services to CalWORKs recipients, persons eligible for DMC services, and parolees. Most recently, on May 29, 2007, the Board approved a variety of alcohol and drug services agreements and amendments which are slated to expire on June 30, 2008.

#### **Implementation of Strategic Goals**

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan Organizational Goals 1, 5, 6, and 7: Service Excellence, Children and Families' Well-Being, Community Services, and Health and Mental Health, respectively. These actions will provide the public with easy access to quality information and services that are both beneficial and responsive.

#### **FISCAL IMPACT/FINANCING**

The recommended service agreements are funded by either MOU (as identified) or by the State Department of Alcohol and Drug Programs (SDADP) through the Combined Negotiated Net Amount (NNA) and Drug/Medi-Cal (DMC) Agreement (Combined NNA Agreement). The Combined NNA/DMC Agreement provides federal Block Grant (FBG) and State General Funds (SGF) to support alcohol and drug program services in Los Angeles County and is effective from July 1, 2007 through June 30, 2010.

Honorable Board of Supervisors  
June 10, 2008  
Page 4

Also before your Board today, under separate cover, is a request to approve Amendment Number 1 to the Combined NNA/DMC Agreement which will increase the FY 2007-08 State total maximum obligation by \$19,069,315, from \$120,772,748 to \$139,842,063, increasing the maximum three year obligation from \$362,318,244 to \$381,387,559.

Funding has been requested in DPH's FY 2008-09 Proposed Budget and will be requested in future years, as necessary.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

All providers recommended for a contract are in compliance with Board of Supervisors, Chief Executive Office, and County Counsel requirements. The recommended agreements will be reviewed and approved as to use by County Counsel prior to distribution to the awarded providers. Attachment H is a listing of the Executive Directors of the recommended providers.

#### **CONTRACTING PROCESS**

As a result of the Sobky v. Smoley federal ruling, the DMC portion of the SDADP's Combined NNA/DMC Agreement requires the County to enter into agreements with all State-certified DMC service providers who request service contracts with the County, effective upon certification date. Under the Combined NNA/DMC Agreement, SDADP agrees to cover the costs of all DMC services provided to Medi-Cal beneficiaries. SDADP has further agreed to fund agreements, effective as of the date of a DMC provider's certification, or July 1 of the current fiscal year, whichever start date is requested by the provider, allowing for State-approved retroactive payments to the provider.

Attachment I is a complete funding summary of all 2008 contract renewals.

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

As instructed by your Board on May 7, 2008, the Chief Executive Office is currently working in collaboration with DPH, DPSS and DMH on an assessment of the CalWORKS program and a recommendation on how to best serve the population in need. Under separate cover, a status memorandum and recommendation will be submitted to your Board and notification letters will be forwarded to the service providers to keep them informed of developments. Board approval for delegated authority of these CalWORKS provider renewal agreements will allow DPH to reduce the scope of services, where applicable, and adjust contract funding accordingly, with a 30-day advance notice to the service providers.

Honorable Board of Supervisors  
June 10, 2008  
Page 5

We will notify the Board of any changes to the scope of work and request Board approval for funding changes not covered by DPH's delegated authority.

Alcohol and drug services will continue without interruption throughout Los Angeles County.

**CONCLUSION**

When approved, DPH requires four signed copies of the Board's action.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "William T. Fujioka", with a long horizontal flourish extending to the right.
